

## INVOICE PAYMENT OPTIONS AT MAGYAR TELEKOM (MOBILE SERVICES)

Below listed we would like to offer some simple, fast and environmentally friendly options to settle your bills, available at Magyar Telekom.

- Online bill payment with credit card, which can be launched at our website [www.telekom.hu/elofizeteseim](http://www.telekom.hu/elofizeteseim). It is convenient, unbound, since you can access it by using the Internet from anywhere. It is fast, because your payment immediately appears on our side.
- If you use e-bill service the payment can be launched at the website [www.tavszamla.hu](http://www.tavszamla.hu) by single transfer or credit card. It is an easy, simple and safe method of payment.
- Direct Debit Mandate, which can be required at the bank account manager or service provider. It is flexible and easy because you do not have to pay attention to the calendar, you can settle your bills always on time, taking the payment deadlines into account.

If you want to settle your account by single transfer, please initiate the transfer to the bank account number displayed on the invoice to be paid. In cases where this is not available initiate your transfer order at your bank account manager to the best suitable from among the bank account numbers detailed below.
