1.8 Magyar Telekom Telecommunications Public Limited Company is the general legal successor of T-Mobile Hungary Telecommunications Company Limited by Shares (1117 Budapest, Kaposvár u. 5-7.; Corporate Registry No.: 01-10-042361)

2. The Shares of the Company

2.1. Share Capital

The total share capital of the Company consists of (i) 1 042 768 215 registered ordinary Series "A" Shares each having a nominal value of HUF 100 and (ii) 1 registered Series "B" Voting Preference Share with a nominal value of HUF 10.000.

The shares of the Company are put out in a dematerialized form.

Dematerialized shares are such registered shares that do not have serial numbers and the name and other data to clearly identify their owners are contained on the securities account.

2.2. Series "A" Shares

The holder of each Series "A" Share shall be entitled to one vote at the General Meeting of the Company and to all such rights attributed to such shareholder by Act IV of 2006 on Business Associations (hereinafter: the "Companies Act") or these Articles.

2.3. Series "B" Voting Preference Share and Rights Attached Thereto

2.3.1. The "B" Share

(a) The Company has one (1) registered Series "B" Voting Preference Share (hereinafter: "B" Share) with a nominal value of HUF 10 000 issued for the benefit of the Hungarian State. According to Act LXXVI of 1997, Act CXXXIII of 2000 and Act XXIII of 2002 regarding the amendment of the Annex of Act XXXIX of 1995 on selling the assets of state-owned business associations and the Act LV of 2006, the ownership rights in connection with the "B" Share are exercised by the Minister of Economics and Transport.

(b) The "B" Share carries the same rights as the "A" Shares and additional rights as determined these Articles. The "B" Share may not be redeemed in the course of a reduction of the registered capital of the Company.

2.3.2. Rights attached to the "B" Share

2.3.2.1. The holder of the "B" Share shall have the right to nominate for election and propose the removal of one (1) member of the Board of Directors (the "B" Director) and one (1) member of the Supervisory Board (the "B" Supervisory Board Member).

The "B" Director and the "B" Supervisory Board Member shall be elected by the General Meeting. On resolutions for the election or removal of the "B" Director and/or the "B" Supervisory Board Member (the right to remove or elect applies to any person who was initially nominated as a "B" Director or a "B" Supervisory Board Member) the "B" Share entitles its owner to fifty billion (50,000,000,000) votes at the General Meeting.

In order to secure the right of the "B" shareholder enumerated in this Section 2.3.2.1, in the event of an increase of the Company's registered capital, the issuance of a new class of shares or the changing of the rights attached to a certain class of shares, these Articles shall be amended so that the voting rights of the "B" Share on the resolutions described in this Section will be sufficient to ensure that the holder of the "B" Share may approve any such resolutions without requiring additional votes.

The holder of the "B" Share has the right to request the Company's Board of Directors to convene a general meeting for the purposes of electing and/or removing a "B" Director or a "B" Supervisory Board Member in the event the "B" Director or the "B" Supervisory Board member dies, resigns or becomes incapacitated or his removal is necessary. The Board shall convene the General Meeting for the earliest possible date in accordance with the provisions of the Companies Act and the Articles. In case of removal, the reasonable costs of the General Meeting shall be borne by the holder of the "B" Share.

2.3.2.2. The holder of the "B" Share has the right at any time to directly inspect the Shareholders' Register and any books maintained by a depository for the Company's shares appointed by the Company and may request copies thereof, which copies shall be provided within the shortest period of time possible but not later than thirty (30) days of receipt of such written request.

2.3.2.3. In the event of dissolution (végelszámolás) of the Company without a legal successor, the holder of the "B" Share, or any person designated by the holder of the "B" Share, acting on behalf of the Hungarian State for this purpose shall have an option to purchase all or any portion of the assets of the Company (including, without limitation, equity interests in other companies). The purchase price for such assets shall be the appraised fair market value of such assets at the time of dissolution as determined by an independent appraiser mutually agreed upon by the holder of the "B" Share and the Company, or, if not so agreed, the Auditor of the Company. The right to purchase described herein shall become exercisable upon determination of the purchase price for such assets in accordance herewith.

2.3.2.4. The holder of the "B" Share has the right to request from the Board of Directors at any time detailed information regarding the activities of the Company with respect to material questions affecting significantly the financial position of the Company. Information requested in this manner from the Board of Directors shall be provided in writing to the holder of the "B" Share within a period of thirty (30) days from receiving such request; provided, however, that the Board of Directors has received a written acknowledgement of the holder of the "B" Share that material which is proprietary or which constitutes a business secret will be treated in a confidential manner.

2.3.2.5. The holder of the "B" Share has the right to request the Company to carry out an audit or other investigation, or to prepare any report or provide information, on any issue within the scope of the activities of the Auditor or the Supervisory Board pursuant to the law or these Articles. Any such request shall be reasonable and shall specify in reasonable detail the subject of the audit or other investigation. Such audit or investigation shall be carried out by the Auditor of the Company or by the Supervisory Board, respectively, or, with respect to an investigation, if so requested by the holder of the "B" Share, an independent expert designated by the Supervisory Board of the Company. Any reasonable request of the holder of the "B" Share for an audit or investigation or for a report or information shall be complied with by the Auditor or the Supervisory Board and such audit, investigation, report or information shall be carried out or provided within the shortest possible time period. Any audit or other investigation shall be carried out at the cost of the holder of the "B" Share requesting such audit or investigation, to the extent that the audit or investigation does not reveal any act or omission constituting material shortcomings in the operations or financial affairs of the Company in the area in which the audit or investigation was requested.

2.3.2.6. The consent of the holder of the "B" Share and shareholders holding at least a simple majority of the outstanding voting stock of the Company (excluding the shares the acquisition of which is subject to the approval specified in this Section 2.3.2.6) shall be required to approve the acquisition, direct or indirect, of shares of the Company which, on a cumulative basis, would result in any person, or persons acting in concert (by virtue of agreement, ownership or otherwise), holding, directly or indirectly, 10% or more of the outstanding voting stock of the Company. The foregoing notwithstanding, no consent shall be required for: (i) acquisitions directly from persons holding 10% or more of the Company's outstanding voting stock as at September 29, 1997 (ii) acquisitions directly from the transferees of the Existing Shareholders, (iii) acquisitions by an internationally recognised underwriter acquiring the Company's shares for the exclusive purpose of distributing such shares in a public offering, (iv) acquisitions by depositories for the Company's shares or certificates representing such shares appointed by the Company (but only (a) to the extent that the acquisition of such shares by the person or persons ultimately exercising shareholder's rights attached to the shares held by the depositories do not require the consent set forth in this Section 2.3.2.6 and (b) on the condition that such depository undertakes to provide the list of such persons to the Company and the holder of the "B" Share upon request), or (v) direct or indirect sales or transfers of interest in any Existing Shareholder.

2.3.2.7. The prior written consent of the holder of the "B" Share shall be required to a transfer of shares in the Company if, as a result of such transfer, the transferee, directly or through a group of persons acting in concert (by virtue of agreement, ownership or otherwise), would acquire, on a cumulative basis, more than 49.9 % of the voting share capital of the Company.

2.3.2.8. The holder of the "B" Share shall be promptly notified by the Company of the receipt by the Company of a request to register any shares of the Company in the Shareholders' Register of the Company the transfer of which the Company knows is subject to the consent requirement under the provisions of these Articles.

2.3.2.9. For any matters listed hereunder to be considered at the General Meetings of the Company, the presence of the holder of the "B" Share is necessary to constitute a quorum (in addition to the requirements of section 6.11. hereunder), and the affirmative vote of the holder of the "B" Share shall be required:

- (a) increase and decrease of registered capital, unless otherwise provided by the Act on Business Associations or the Articles of Associations;
- (b) change of rights attached to any class of shares, including, for the avoidance of doubt, any amendment to the rights of the "B" Share or the creation of a new class of shares with rights superior or equal to the rights or adversely affecting the rights of the "B" Share, or any amendment to the rights attached to any existing class of shares by providing them with rights superior or equal to the rights attached to the "B" Share;
- (c) merger into or consolidation with another business entity, de-merger, transformation into another form of business association and termination of the Company without a legal successor;
- (d) transfer, assignment, lease or the granting of permanent right to the use of, the creation of an encumbrance or security interest in a valuable right enabling the continuation of a specific activity of the Company to another business entity - i.e. rights granted in the Contract regarding the provision of universal electronic communications services defined in Sections 117-118 of Act C. of 2003;
- (e) election and removal of the "B" Director and the "B" Supervisory Board Member;
- (f) conversion of type of shares;
- (g) transfer of the total or a substantial part of assets of the Company. For the purposes of this Section "substantial" shall mean the transfer of assets which would render the Company incapable of performing its obligations pursuant to the universal telecommunications service as defined in the Contract regarding the provision of Universal Telecommunications Services;
- (h) any amendment to these Articles which would impinge the rights of the holder of the "B" Share granted by these Articles, including the authorization of the Board of Directors of the Company to increase the Company's registered capital;
- (i) issuance of convertible bonds or bonds conferring pre-emptive rights;

(j) decision on approval pursuant to Section 2.5(b) of these Articles.

2.4. The Nominal Value of Shares and the Certificate issued on the Dematerialized Share

Shares belonging to the same share type shall have the same nominal value.

The security account of the owner of dematerialized shares must include the data specified by the relevant laws:

A certificate – which does not qualify as a security - shall be issued on each type of dematerialized share and deposited in the central treasury, bearing the signatures of two members of the Board of Directors.

2.5. Transfer of Shares

(a) The acquisition and transfer of the dematerialized share shall only be effected through crediting or debiting the securities account. The owner of the security – unless the contrary is proved – shall be the person on whose account the security is registered. The transfer of registered or Interim Share Certificates shall be effective with respect to the Company when the name of the new owner of the shares has been entered in the Shareholders' Register.

(b) The consent of the holder of the “B” Share and shareholders holding at least a simple majority of the outstanding voting stock of the Company (excluding the shares the acquisition of which is subject to such approval) shall be required to approve the acquisition, directly or indirectly, of the shares of the Company which, on a cumulative basis, would result in any person, or persons acting in concert (by virtue of agreement, ownership or otherwise), holding 10% or more, directly or indirectly, of the outstanding voting stock of the Company. The foregoing notwithstanding, no consent shall be required for: (i) acquisitions directly from the Existing Shareholders, (ii) acquisitions directly from the transferees of the Existing Shareholders, (iii) acquisitions by an internationally recognised underwriter acquiring the Company's shares for the exclusive purpose of distributing such shares in a public offering, (iv) acquisitions by depositories for the Company's shares or certificates representing such shares appointed by the Company (but only (a) to the extent that the acquisition of such shares by the person or persons ultimately exercising shareholder's rights attached to the shares held by the depositories do not require the consent set forth in this Section 2.5(b) and (b) on the condition that such depository undertakes to provide the list of such persons to the Company and the holder of the “B” Share upon request), or (v) direct or indirect sales or transfers of interest in any Existing Shareholder. No holder of any shares shall exercise any rights in respect of any shares acquired in violation of this Section and the Company shall not register such acquisition in the Shareholders' Register of the Company.

(c) If as a result of a transfer of shares, the transferee, directly or through a group of parties acting in concert (by virtue of agreement, ownership or otherwise), would, on a cumulative basis, acquire more than 49.9 % of the voting share capital of the Company, the prior written consent of the holder of the “B” Share shall be required. No holder of any shares shall exercise any rights in respect of any shares acquired in violation of this Section and the Company shall not register such acquisition in the Shareholders' Register of the Company.

(d) In the event of transfer of shares the custodian shall notify the registrar as to the transfer within two days upon such event (i.e. transfer of shares to the securities account). If the shareholder wishes so the custodian will not announce the said data. The shareholder shall provide evidence that he acquired the shares in accordance with the conditions set forth in these Articles. In the event that the new owner of the shares provides the appropriate documents, the Company shall, within a period of fifteen (15) days, examine such documents and decide whether the new owner acquired the shares in accordance with the provisions of these Articles. If the Company establishes that the transfer occurred in violation of the Articles, it shall not register such transfer of shares. The Company shall promptly notify the new owner of its reasoned decision and the new owner shall have the right to request, within thirty (30) days of the rendering of such decision, the competent court to review the decision.

(e) Those shareholders who wish so, shall not be registered in the Shareholders' Register in addition to those who obtained the shares in violation of laws or this Articles regarding the transfer of shares.

(f) The registrar, except in case set forth in Section 2.5. (d) and (e), shall not refuse prompt registry and shall promptly delete such shareholder who wishes so.

(g) If the ownership of the shareholder ceased to exist with the transfer of shares the custodian shall notify the registrar on this fact within two working days upon such event. The registrar, based on the notification, shall promptly incorporate such changes in the Shareholders' Register.

(h) The shareholder may review the Shareholders' Register and may request a copy on parts relevant to him from the Board of Directors or from the representative thereof. Such requests shall be met within five days by the registrar. Third parties may review the Shareholders' Register as well.

2.6. Shareholders' Register

2.6.1. The Board of Directors of the Company through the registrar assigned by the Board according to Section 202.§ (2) of the Act, maintains a Shareholders' Register of the holders of registered shares (including holders of Interim Share Certificates or Preliminary Share Certificates) and shareholders' proxies by the class of shares, in which the name - in case of a joint representative the relevant data of the joint representative respectively - and address (seat) of each shareholder (shareholder's proxy) as well as the shareholding of each shareholder by the share series is recorded. The Company maintains a computerized Shareholders' Register.

2.6.2. The registrar, assigned by the Board of Directors of the Company, fulfils the written requests of the not-yet-registered acquirer or his representative on registering the transfer of shares in the Shareholders' Register - if it was not requested by the custodian - if the acquirer of the shares or his representative produces the securities account statement under his name that certifies the ownership of the share towards third parties at the time of its issuance and complies with the provisions of Section 2.5 of these Articles.

2.6.3. The condition of participating at the General Meeting is that the shareholder or the nominee (except proxy holders acting on the basis of the authorization of the shareholder issued in the form of a public instrument or a private document of full probative force) is registered as such in the Shareholders' Register at least six (6) working days prior to the date of the General Meeting. The registry of shareholders in the Shareholders' Registry may be at the Owner Compliance Turning Date prior to the GM or at the shareholder's individual request. Those shareholders can exercise their voting rights at the GM who are entered into the Shareholders' Registry and froze their shares up until the day of the GM. No entry in the Shareholders' Register shall be made in the period of six (6) business days prior to the General Meeting.

2.6.4. The registrar, assigned by the Board of the Company may refuse the request for registration into the Shareholders' Register by a person acquiring shares who omits to provide the supporting evidence that such a person is obliged to submit to the Company in accordance with Section 2.5 of these Articles. The registration into the Shareholders' Register based on untrue, false or misleading statements may be deleted by a reasoned resolution of the Board of Directors.

2.7. Interim Share Certificates

Upon registration of an increase in the capital of the Company by the Court of Registration, the Company may issue Interim Share Certificates ("ideiglenes részvény") if the amount of the contribution either undertaken to be acquired or registered by the shareholder until the shares are fully paid. The Interim Shares are securities, subject to the same rules that are applicable to shares. The transfer of Interim Shares are effected when the shareholder is registered in the Shareholders' Register. Subsequent to the full payment of the share value and the production of new shares, the Board of Directors invalidates the Interim Shares in accordance with the provisions of the Companies Act.
