Magyar Telekom's Board of Directors announces dividend proposal for 2011 earnings

Budapest – February 23, 2012 – Magyar Telekom (Reuters: MTEL.BU and Bloomberg: MTELEKOM HB), the leading Hungarian telecommunications service provider, announces that the Board of Directors has reviewed the 2011 annual reports of Magyar Telekom Plc. prepared in accordance with Hungarian Accounting Rules (HAR), and those of Magyar Telekom Group prepared in accordance with IFRS, and proposes them for approval to the Annual General Meeting. The Board of Directors also proposes a dividend payment of HUF 50 per share (face value HUF 100) for the financial year 2011 for approval to the General Meeting.

The proposed dividend level of HUF 50 per share is in line with Magyar Telekom's dividend policy of maintaining its net debt ratio (net debt to net debt plus total equity) within the targeted range of 30-40%. At the same time, it reflects the Group's financial position and cash flow generation in 2011, as well as the impact of the special tax levied on the Hungarian telecommunications sector.

Magyar Telekom will hold its Annual General Meeting on 16th April 2012. The Board of Directors proposes the record date to be on 8th May 2012 and the first day of dividend disbursement on 15th May 2012.
