Remark: The event took place as part of the training obligation set forth by the GOP 3.1.1 Project.

Some comments about the event:

## Locations, 2010.

„Hi!!!

I am very happy that I could be here today!!!

Though I did not attend the first part, I heard a lot of interesting things!!! The village is really looking forward to being able to use the internet service!!! Of course, my family, too. Because, so far, we have always been told that there is no coverage here. But I have just heard that from February, there will be!!!! I am so happy!!

Thank you for the event!!!!”

### Újiráz

Population: 530

Event date: 08.12.2010

Venue: House of Culture

Number of local participants: 3

Number of volunteers: 2 (Magyar Telekom employees)

Remark: The event took place as part of the training obligation set forth by the GOP 3.1.1 Project.

Some comments about the event:

„I had a great time throughout the afternoon. I very much appreciate the chance to get familiar with the internet.

I really like the internet.

I will surely use it.

Best regards, Mrs. T. from

Újiráz”

### Bihartorda

Population: 913

Event date: 09.12.2010

Venue: House of Culture

Number of local participants: 12

Number of volunteers: 2 (Magyar Telekom employees)

Remark: The event took place as part of the training obligation set forth by the GOP 3.1.1 Project.

Some comments about the event:

„Today is the second time that I attend a PC training organized by DHP. They pointed out some interesting things. The rewind and record functions of the TV were interesting. The event would have deserved a greater audience. The presenters did a really conscientious job of demonstrating what is new on the internet.

From Bihartorda: Cs. I.”

„Dear Margó and Karcsi,

Thank you for having been here!

You gave us a lot of good advice!

You gave us an IWIW account!

You even provided the sound!

BUT NOW GIVE US AN INTERNET LINE, TOO!!!

From Bihartorda: Mrs. P. I.”

### Villány

Population: 2467

Event date: 11.12.2010

Venue: House of Culture

Number of local participants: 2

Number of volunteers: 5 (Magyar Telekom employees)

## Locations, 2010.

### Berekböszörmény

Population: 1707

Event date: 14.12.2010

Venue: House of Culture

Number of local participants: 4

Number of volunteers: 2 (Magyar Telekom employees)

Remark: The event took place as part of the training obligation set forth by the GOP 3.1.1 Project.

Some comments about the event:

„Dear Bridge People,

I had a valuable afternoon with my „instructor”, which was very useful for me. The audience was small but very enthusiastic. Thank you for the opportunity. We would like to do it again. We are looking forward to your return. Sincerely, Mrs. D. S. PS: In return, I can offer you a nice village museum exhibition.”

„Dear Digital Bridge Organizers,

On behalf of the Berekböszörmény group, let me thank you for the very useful program. Our thanks go to Gacsályiné Békési Margit and her colleague for their conscientious, attentive work.

We are sorry that the timing of the event was not the best, as now everyone is busy preparing for Christmas.

You are kindly asked to return with the program called „Internet for Equal Opportunities”, if possible. We are ready to undertake the organizational tasks.

We wish you lots of success in your work.

Sincerely: P. I.”

### Magyarhomorog

Population: 832

Event date: 15.12.2010

Venue: Municipality building

Number of local participants: 15

Number of volunteers: 2 (Magyar Telekom employees)

Remark: The event took place as part of the training obligation set forth by the GOP 3.1.1 Project.

### Vekerd

Population: 119

Event date: 16.12.2010

Venue: Clubhouse

Number of local participants: 7

Number of volunteers: 2 (Magyar Telekom employees)

Remark: The event took place as part of the training obligation set forth by the GOP 3.1.1 Project.

Some comments about the event:

„A good day to everybody! Today was the day of the internet training here at Vekerd. I am very satisfied. My thanks go to the very well prepared and helpful instructors.

The only thing is they gave us the regretful news that the service will be available only from February. (Isn't there some way to get it here sooner somehow?? Would have been great for Christmas.”
