## Magyar Telekom appoints new Chief Technology and IT Officer

**Budapest – August 6, 2019 – Magyar Telekom (Reuters: MTEL.BU és Bloomberg: MTELEKOM HB), the leading Hungarian telecommunications service provider, hereby announces that the Board of Directors of Magyar Telekom appointed Lubor Zatko as Chief Technology and IT Officer (“CTIO”) with effect from October 1, 2019. He will also become a member of Magyar Telekom’s Management Committee.**

Lubor Zatko (45) received his engineer degree at the Faculty of Informatics and Electrotechnics of the Slovak Technical University. He started his career at SIRIUS VD in 1997, as Head of the Technical Department. In 2000, he became the Senior Network Operations Manager of Cesky Mobile (ma Vodafone CZ), then took over the Operations and IT Operations Director position in 2004, and later the Regional IT and Operations Director of the CE Region at First Data International. From 2008, he worked as Lead Technology Partner at Barclaycard, and then moved to Slovak Telekom in January 2009, where he worked as Senior IT Consultant, and from 2010, as Senior Manager Technology Strategy, Architecture and Budget Management. In June 2016, he was appointed Network Development and Delivery Director, the position from which he moves to Magyar Telekom.

This investor news may contain forward-looking statements. Statements that are not historical facts, including statements about our beliefs and expectations, are forward-looking statements. These statements are based on current plans, estimates and projections, and therefore should not have undue reliance placed upon them. Forward-looking statements speak only as of the date they are made, and we undertake no obligation to update publicly any of them in light of new information or future events.

Forward-looking statements involve inherent risks and uncertainties. We caution you that a number of important factors could cause actual results to differ materially from those contained in any forward-looking statement. Such factors are described in, among other things, our Annual Reports for the year ended December 31, 2018 available on our website at <http://www.telekom.hu>.
