

The question asked by Mr. László Marosi at the Annual General Meeting of Magyar Telekom Plc held on April 25, 2008 is answered by the Company as follows:

Question: I would like to ask a question about an item that, in my opinion, relates to year 2007. I would like to ask if it is true that Magyar Telekom paid approximately HUF 1 billion under a contract signed in December, 2007 as a one-off payment without actual performance to a leased workforce service provider in April, 2008? If it is true, what was the legal title of the payment and where is this booked in the 2007 accounts? To what extent will it affect the 2007 balance sheet and the Shareholders?

Answer: It is not true.
