

Announcement of Magyar Telekom Plc. regarding dividend payment for business year 2006

Budapest – May 7, 2007 – Magyar Telekom (Reuters: NYSE: MTA.N, BÉT: MTEL.BU and Bloomberg: NYSE: MTA US, BÉT: MTELEKOM HB), the leading Hungarian telecommunications service provider today announced that, in accordance with the resolution of Magyar Telekom Plc.’s General Meeting held on April 26, 2007, the company will pay its shareholders HUF 70 gross dividend per ordinary Magyar Telekom share of HUF 100 par value (ISIN number: HU0000073507) for the business year 2006. Dividend payment will start on May 24, 2007. The record date is May 17, 2007. The last day when shares bought on the Budapest Stock Exchange will be entitled to the dividend paid for the 2006 business year is May 14, 2007.

The dividend will be transferred to shareholders’ accounts - attached to securities accounts at the account-keepers, or to another bank account specified by the shareholder to its account keeper - from May 24, 2007. The dividend can only be transferred if the account keeper sends all information in the specified form to the Central Depository and Clearing House (KELER Zrt.), acting as agent in the dividend payment of Magyar Telekom Nyrt.. Magyar Telekom is not responsible for any payment delay resulting from insufficient or incomplete information provided by account keepers or resulting from the time required for data processing. If missing or corrected data is sent to KELER at a later date, then Magyar Telekom will transfer the dividend through KELER by the 5th working day of the following month.

In line with the lapse period specified in the Civil Code the dividend for 2006 can be collected for a further 5 years, starting from the first day of the dividend payment (i.e. not later than May 24, 2012).

Shareholders who hold Magyar Telekom shares in their securities accounts on May 17, 2007 will receive a dividend. We would like to take this opportunity to remind our shareholders to contact their account keeper and check that they have all the information necessary for tax settlement no later than May 17, 2007 as dividends can only be paid if this data is provided to KELER.

In case of individuals, Magyar Telekom Nyrt. will, through its agent (KELER Zrt.), transfer the dividend minus the deducted personal income tax and health care contribution to the account-keeper’s bank account, or to another bank account specified by the shareholder to its account keeper. In case of domestic private individuals, the following data is required for dividend payment: name, birth name, date and place of birth, mother’s birth name, nationality, tax ID, sex and address of the shareholder. In case of foreign private individuals, the following data is required for dividend payment: name, birth name, date and place of birth, mother’s birth name, nationality, passport number or tax ID issued by the Hungarian tax authority, sex, nationality, permanent address of the shareholder and address (place of residence) in Hungary, if the shareholder has any. **Dividends paid for business year 2006 are subject to a personal income tax of 10%.**

Magyar Telekom will issue a certificate stating the tax and rates deducted and will send this to its shareholders no later than January 31, 2008.

In case of legal entities, Magyar Telekom Plc. will, through its agent (KELER Zrt.), based on the specified data (in the case of Hungarian domiciled legal entities: company name, headquarters, tax ID number; in the case of foreign domiciled legal entities: company name, headquarters), transfer the dividends to the bank account specified by the shareholder’s account keeper. **In case of legal entities, no tax will be deducted from the dividends.**

If a shareholder intends to receive its dividend through application of a preferred tax rate in accordance with interstate treaties on avoidance of double taxation, such legal entity is obliged to submit to the Share Register Department of KELER Zrt. (1075 Budapest, Asbóth u. 9-11.) not later than May 17, 2007 all the documents specified in Annex 4 to the several times modified Act XCII/2003 on Taxation. We remind account-keepers that we can only accept certificates of residency issued regarding the tax year 2007 and translated by the Hungarian Office for Translation and Attestation Company (OFFI). If a certificate of beneficial ownership is also required by the treaty, this certificate

should also be translated by the OFFI. The certificate of beneficial ownership can also be issued in Hungarian. If neither certificate of residency nor a notice that documents will be presented later arrives at KELER by May 17, 2007, the dividend will be transferred after deducting 25% tax.

If a foreign domiciled legal entity has the documents specified in Annex 4 to the several times modified Act XCII/2003 and there is an inter-state treaty on avoidance of double taxation based on which a preferential tax rate can be used, but the legal entity fails to submit the documents to KELER Zrt. by May 17, 2007 and therefore receives dividend after deducting 10% tax, he may apply to the South-Budapest Office of the Hungarian Tax and Financial Control Administration ('APEH') and claim back the difference between the preferential tax rate and 10% by reference to the certificate issued by Magyar Telekom Plc. on the amount of dividend and tax deducted.

Magyar Telekom's toll free number +36 80 38 38 38 as well as the office of KELER Zrt. (1075 Budapest, Asbóth u. 9-11) are available to answer questions on any aspect of the dividend payment.
