LANDLINE AND
MOBILE PHONE IN
A SINGLE DEVICE!

Our device offers are valid until revoked or stocks last with a new 2-year definite term contract for customers with new contract with commitment period or expired earlier contract with commitment period. Photos are only for illustration. The device type may change depending on the current stocks. Devices with reduced price are not available if you wish to change to a new package during the definite term of a contract for which you have obtained a device with reduced price. Certain applications may be used with the devices only with internet service or software license, downloading and use will generate data traffic.

Service package monthly fees during the 2-year definite term of contract

PACKAGE OFFER on copper and optical network	NET MONTHLY FEE	DOWNLOAD AND UPLOAD RATE OFFERED	GUARANTEED DOWNLOAD AND UPLOAD RATE
Compleo Connect 10	HUF 11,300	10/0.5 Mbps	1/0.2 Mbps
Compleo Connect 20	HUF 12,200	20/1 Mbps	10/0.5 Mbps
Compleo Connect 30	HUF 13,000	30/5 Mbps	20/1 Mbps
Compleo Connect 50	HUF 14,800	50/25 Mbps	30/12.5 Mbps
Compleo Connect 120	HUF 17,300	120/50 Mbps	50/25 Mbps

The above packages are accessible also over cable network with different rates, while on copper network we can offer packages with 10, 20 or 30 Mbps bandwidth, depending on the technology available; further information is given [here](#). Prices exclude the applicable 27% VAT. The packages may be ordered also with 1-year definite term contract with different prices. In the case of termination before the expiry of the definite term contract the penalty defined in Annex 3 to the [General Terms of Contract for Business Services](#) is charged.

We trust that we can contribute with our services to the business success of your company.

For details please call 1435 or visit our [website](#) or contact your account manager!

This offer is valid from January 19, 2015 until revoked in Magyar Telekom's service area for business customers with new contract with commitment period or expired or existing contract with commitment period. Only one option may be used for one integrated package. Options may be ordered for maximum two integrated packages per customer premises. This information is non-exhaustive. All the links written in the handout, referring to the Hungarian web sites of Magyar Telekom.
